

I am appalled at the decision of Sinclair Broadcasting to force local stations to break the law by showing clearly partisan "electioneering" footage.

I am demanding that the FCC take action to uphold the laws of this great country.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Thank you.
